### **VALDOBBIADENE PROSECCO SUPERIORE EXTRA BRUT 2019**

"The 2019 Valdobbiadene Prosecco Superiore Extra Brut is understated and poised, showing dusty flowery perfumes, white smoke and crushed green apples. There's an attractive weightlessness here, as it delivers creamy textures contrasted by a stimulating display of mineral-tinged orchard fruits and gingery spice. Residual acids tug at the cheeks with salty tension, as this finishes dry and intense." 91/100

### **VALDOBBIADENE PROSECCO SUPERIORE EXTRA BRUT 2018 – METODO CLASSICO**

"The 2018 Valdobbiadene Prosecco Superiore Extra Brut opens slowly in the glass, showing wild grasses and stone dust before giving way to hints of peach and pear. It's soft in texture and dry, with a fine bead of soothing bubbles ushering in mineral-tinged green apples. Though subtle, this finishes with poise and an almost-salty character, leaving the palate perfectly cleansed for another sip. The 2018 was produced using Metodo Classico." 90/100
